Press Release

Suceava – connected to Carpatair's destination network

Timisoara, March 8, 2006 – Starting with 28 March, Suceava becomes a part of the network of Carpatair destinations once with the opening of Suceava - Timisoara flight. Launching the flights from Suceava will complete the list of the 9 domestic flights already operated by the Romanian airline company headquartered in Timisoara (besides Iasi, Bacau, Constanta, Bucharest, Sibiu, Targu-Mures, Cluj, Oradea, Timisoara).

The opening of Suceava station was thought by Carpatair within the context of step-by-step integration of the most important Romanian airports in a complex network of European destinations operated through the HUB in Timisoara.

Carpatair's decision to include Suceava on the map of its destinations was also based on the growth of bilateral economic partnerships of Suceava with many towns from Italy, Germany, Great Britain, relations that generate significant flows of business people, investors, and of course, tourists.

Understanding the importance of Suceava in the touristic, economic and business context of Romania, Carpatair will support this new project through all its local and international promotional programs, including fares and exhibitions in Romania and abroad.

Flight tickets to/from Suceava can be bought directly in Carpatair agencies at the airports or in any IATA authorized agency in Romania.

“Call&Fly!” – the simplest, handiest and fastest way to book flights and pay Carpatair tickets!

The passengers may book directly from home, friends or office, calling Carpatair Call Center Romania to book their flight. With the invoice number and payment details received by phone, fax or email, they can pay cash at any desk of the following banks in Romania: Unicredit, Tiriac or Raiffeisen.

Once the payment is done, the passenger only picks up his ticket directly at the airport, before departure.

The flight will be connected to the Timisoara HUB, this way the passengers being able to continue their trip to any of the other Carpatair destinations:

Italy (Venice, Verona, Bologna, Milan-Bergamo, Turin, Florence, Rome, Ancona, Naples) or Germany (Munich, Dusseldorf, Stuttgart).

The flight schedule is:
